

THE BILL WILSON PARKINSON'S RESOURCE SERVICE & CENTER

In honor of our dear friend and fellow fighter, Bill Wilson, Jax Hope Inc is proud to offer the Bill Wilson Parkinson's Resource Service. This service will provide local support for those living with Parkinson's Disease in the First Coast Region of Florida. Funds raised allow Jax Hope Inc to provide resource packets for all those new to the area or newly diagnosed. These packets help bridge PD connections within the community to identify local exercise programs, support groups, therapies, and community events.

In addition, Jax Hope Inc is raising funds to fulfill Bill Wilson's dream of a Jacksonville Parkinson's Center where those with PD can access support services, educational opportunities, and exercise programs. The goal is to have multiple locations across the First Coast Region which will host support group meetings, exercise and educational classes, serve as a central point for resources, and ultimately be a beacon of hope for the community. Your tax deductible contributions will help Jax Hope Inc continue to help more people live better lives with Parkinson's Disease.

Thank you for your consideration. If you have any questions regarding this program, please feel free to contact Jax Hope Inc at: support@jaxhopeinc.org.
